YOUTH DEVELOPMENT PROGRAMME
"SEMINAR-CONFERENCE ATTENDENCE SUPPORT SCHEME"

Our Youth Development programme continues to grow and we are delighted to offer seminar-workshop or conference attendance grants valued up to £250.

The scheme offers a unique opportunity for young breeders to gain new skills and knowledge from their chosen seminar, workshop or conference that they have identified suits their needs effectively.

The support should provide successful candidates with an opportunity to gain valuable knowledge to assist them in their career development or within an existing enterprise-business.

Candidates are asked to apply in writing using the application form overleaf.

In the first instance send the completed form....

- By email to ... office@texel.co.uk

Applications will be assessed on their own merits and value to the individual and must have a sheep industry element. Successful applicants will be informed within 4 weeks of receipt of application.

The successful applicants will have to book their own place on the conference and make any arrangements for travel and accommodation themselves. The appropriate grant amount will then be paid retrospectively on supply of evidence of attendance. Candidates must provide a short report within 4 weeks of attendance for use by the Society in future YDP promotions.

If the number of applicants exceeds the total budget available the most appropriate applicant will be chosen based on the information given in the application form, and if required the referee.

In the event of a competition for places a Texel Society board member will oversee the selection of those receiving the grant.

Texel Society staff, board members and family are not eligible to apply.
