

Northern Ireland National Show & Sale 2014 CAROL-ANNE WARNOCK - WATCHKNOWE - WJW

Carol-Anne has been immersed in the Texel breed from a very young age encouraged by her parents James and Elizabeth. Together they operate the Watchknowe Texel flock which celebrated 40 happy years of involvement with the breed in 2013. In her spare time, Carol-Anne also works full time for the Scottish Government as an Agricultural Officer.

Success in the show ring at a young age with the homebred females Watchknowe Lady Madonna and Watchknowe Ginger spice encouraged Carol-Anne to become more involved in the flock and the wider Texel community. Sale ring success further encouraged that involvement with the sales of the 44,000Gn. Watchknowe Lanark Cracker, 22,000Gn. Watchnowe Jimmy's Pride and 20,000Gn. Watchknowe Lord James II being most memorable.

Carol-Anne has judged at several local shows in Scotland and thoroughly enjoys taking the opportunity to cast her eye over the offerings at the Scottish National show and sale every year where she helps out on the pre-sale inspection.

Carol-Anne is really looking forward to judging at the Northern Ireland National Show and Sale, as the Watchknowe flock has benefitted from some exciting Northern Irish Texel Genetics over the years.
