Preface for the Blackstown Flock

The Blackstown Texel Flock was established in 1981 . Ewes were selected for their conformation and carcase quality and we have always striven to maintain these very important features. The Blackstown Flock has won many major shows and sales, including at the NI Texel premier on 3 occasions.

Stock rams such as Millcomb Powerhouse and Blackstown Rocky have produced many quality lambs and shearlings. More recently rams such as Haddo Ringleader and Teiglum Target have produced many quality lambs and shearlings, such as Blackstown Rambo selling for 17,000gns in 2010, with ewes having sold to 4,500gns.

We have been supreme champion and reserve male champion at the N>I> Premier Sale in 2006 and again in 2009. Winning the medium flock in 2012 and 2013. Crosskirk Superstar won the senior stock ram in 2012. In 2014 winning male champion at RUAS along with seeing some of the Blackstown gimmers going on to to breed well for Richard Reynolds selling Kellyvolgan Veejay for 4,200gns and John Foster selling Springfield V Tech for 4,500gns.

All Blackstown females have been vaccinated for Evnovax, Toxovax and Heptavac P. Scanning results on day of sale.

We would like to wish all fellow vendors and purchasers both past and resent all the joy and success that we have enjoyed over the years breeding Texel Sheep.

Pictures can be seen on the Blackstown Texels Facebook page, or at www.agriimages.co.uk.

Enquires and visitors always welcome.
