Foreword

Bob Jones Prytherch and Co are pleased to conduct for the third consecutive year the show and sale of Pedigree Texel Females on behalf of The Dyfed Texel Breeders Club.

Club members have been at the forefront of the breed again this year with Texel Sheep from Club Members gaining success at National Shows and Sales.

Furthermore the inaugural Club Autumn Show and Sale provided prospective purchasers with top quality genetics and a top price of 1250gns for The Show Champion Ewe Lamb from Cwmcerrig.

Last year's successful sale was a showcase for the quality animals bred and reared by The Texel Flockmasters of this area with the strong trade provided by purchasers from as far afield as Dumfries and Yorkshire setting the trend for other sales to follow on a national basis and providing a top price of 1050gns for the Show Champion Gimmer from Teilo.

The aim of The Dyfed Club is to utilize modern breeding techniques to provide genetic improvement with the result of furtherance of the breed in this locality. As a result the entry this year as catalogued again provides prospective purchasers; whether established breeders or those seeking a foundation an opportunity to tap into the best bloodlines available.

The Club welcomes Mr and Mrs Evan Davies to Judge this year's pre sale show. M/s Davies were under bidders on last year's Champion and have impressed Members with the quality of their Yearling Ram consignments at recent NSA sales.

The Club would also like to thank Mr Bryan Jones of The Cottage Inn for his continued support as Sponsor and Host of various Club Events.

Outstanding opportunity to secure an embryo with first class breeding. The sire is Eryri Vandango who is doing a fantastic job for all involved. The Dyfed Progeny Show and Club Sale Champions were all sired by him.
