Foreword.

Bob Jones Prytherch and Co are pleased to offer for the first time a collective offering of top quality Texel Breeding Sheep from the leading breeders of Dyfed.

The Dyfed Texel Breeders Club was established in 2015 to ensure that the Texel breed in West Wales was at the forefront of breeding technology with Club Members committed to utilizing modern breeding methods and assessment technology to enhance the Texel Sheep of the Dyfed area.

The majority of the sheep forward are from renowned AI sires with many born and reared as a result of ET technology. Many of the rams and females forward are from flocks that are Signet recorded and are sold with an EBV (Estimated Breeding Value) to provide an assessment to potential purchasers of the animals ability to pass on maternal ability, weight gain, lean muscle depth etc to its offspring.

Buyers at the sale whether Pedigree or Commercially minded will therefore be able to buy with confidence that the purchases will be of the best genetic merit. We welcome to Dyfed the Judge Mr Frank Rushton from Derbyshire. Mr Rushton who has been breeding Pedigree Texel Sheep for over 20 years is a well known enthusiast at both shows and sales being an avid supporter of large and small shows in his local area along with the Derbyshire and Northern area Club Sales.

The Directors and Staff of BJP Marts wish the Dyfed Club the best of luck with this inaugural sale.
