

Texel Sheep Society Members And Friends Recognised for 'Just Giving'

The Texel Sheep Society is pleased to have been recognised as a leading fundraiser in 2015 by Just Giving. The Society, its members and friends raised more than £6,000 For the Youth Cancer Trust by sponsoring Society Director Graham Hill's challenge of running three hill races last summer and autumn, including one which featured a run up Ben Nevis and holding competitions at Shows, Sales and Sheep events throughout the year culminating in a sealed envelope raffle at the Society's AGM & Social weekend in St Andrews in November (2015).

Society Chief Executive John Yates said the Society was determined to use its influence in the agricultural industry and further afield to support charitable activities and the significant sum raised for the Youth Cancer Trust showed the generosity the Society's members and friends felt towards worthy causes
